Introduction

The CaseTrust-RCMA Joint Accreditation Scheme for Renovation Businesses was jointly developed by CaseTrust, and the Singapore Renovation Contractors and Material Suppliers Association (RCMA), for the renovation industry. To be eligible to join the scheme, businesses must first be members of RCMA.

Under this scheme, the businesses are audited under a set of stringent and comprehensive criteria, covering the aspects of proper store policies, ethical advertising and proper dispute resolution procedures, staff capabilities as well as staff training.

Some of the unique points for this scheme

- Businesses are required to purchase a deposit performance bond to safeguard deposit payments against non-performance of contract, closure, winding up and/or liquidation among others.
- Businesses must adopt the CaseTrust Standard Renovation Contract.

Businesses who qualify to obtain the CaseTrust accreditation will be able to display the CaseTrust logo on their shop fronts and marketing materials as an outward sign of their commitment to fair trading. For consumers, this is assurance that these businesses have good sales/after-sales service, business integrity, well-trained staff and well-maintained facilities.

CaseTrust Application Stages

Note: The application will be considered Null & Void if complete set of required assessment items are not submitted within 6 months from date of application.
