Chapter 1 – Background

1.1 Introduction to CaseTrust-SVTA Accreditation for Motoring Businesses

1. The Consumers Association of Singapore (CASE) and Singapore Vehicle Traders Association (SVTA) have developed a joint CaseTrust Accreditation Scheme for the motoring industry in 2008. Building upon the basic CaseTrust requirements which promote fair-trading and good business practices, this joint scheme has incorporated criteria unique to the car trade to raise the professionalism of dealers.
2. Consumers can easily identify reliable car dealers simply by spotting the CaseTrust logo displayed at their showrooms. As vehicle purchases are big-ticket items to consumers, CASE hopes to offer better consumer protection by getting these companies to adopt the CaseTrust standards.
3. To build a bigger pool of ethical and transparent motoring business which will give consumers more choices for their vehicle purchases, CASE and SVTA will be opening its door to vehicle dealers who are non-SVTA members to participate in this Accreditation Scheme with effect from 25 February 2021.

1.2 Special Features to Give Consumers a Peace of Mind

1. This accreditation scheme was designed to incorporate special customer-centric features to protect vehicle buyers from unethical practices that might compromise their interest in a car purchase. The features include:
 - a) Accredited vehicle dealers are required to use **model contracts** to be more transparent in the process of selling a motor vehicle. These four contracts would clearly spell out the liabilities of each party, as well as the terms and conditions with regard to the purchase of a motor vehicle. Please refer to Chapter 4 (Page 7) for the standard contracts.
 - b) The **Motor Industries Dispute Resolution Centre (MIDReC)** has also been set up to handle mediation and adjudication, in the event consumers get into a dispute with accredited vehicle dealers. The accredited motoring businesses would be contractually bound to mediation and adjudication as decided by MIDReC. Please refer to Chapter 2 (Page 5) for more information on MIDReC.
 - c) **Insurance Bond** will be provided to cover payout to consumers in the event of an unresolved disputes that are adjudicated at MIDReC and that the decision is made in favour of the consumer. Please refer to Chapter 3 (Page 6) for more details.

1.3 What can consumers expect from an Accredited Motoring Business?

A motoring business that bears the CaseTrust-SVTA mark is certified as a business that possesses the foundation for good sales practices and standards. The business will have the following customer-centric mechanisms in place:

Clear Fee Policies

- Clearly articulated and documented policies on fees and fee refund. These must be fully disclosed to their customers and adhered to according to the terms and conditions of the contract between the business and consumers.

Well-Defined Business Practices and Systems

- A redress system with proper and clearly defined dispute resolution mechanisms for the business and consumers. This will include mediation by the Motor Industry Dispute Resolution Centre (MIDReC), CASE Mediation Centre, and recourse to the Small Claims Tribunals and the Courts, if necessary.
- An insurance bond capped at S\$50,000 or \$100,000 (for minimum company paid-up capital of \$50,000 and \$100,000 respectively) to protect the customer's fees and deposits paid in the event of an unresolved dispute.

Well-Trained Personnel

- The business must ensure that it has trained sales staff who do not practice unethical sales tactics and are able to provide good customer service.

Chapter 2 – Motor Industries Dispute Resolution Centre (MIDReC)

2.1 What is MIDReC?

1. The Motor Industries Dispute Resolution Centre or MIDReC in short is an independent and impartial institution specializing in the resolution of disputes between motoring businesses and consumers.
2. Consumers who have an unresolved dispute with an accredited motoring business can lodge their claim/dispute with MIDReC.

2.2 What is MIDReC's Dispute Resolution Process?

1. The dispute resolution process of MIDReC comprises of two stages, namely Mediation and Adjudication.

Stage 1: Mediation

When a complaint is first received, it would be handled by MIDReC's Case Manager. The complainant and the accredited business are encouraged to resolve the claim/dispute in an amicable and fair manner. In appropriate cases, the Case Manger mediates the dispute between parties.

Stage 2: Adjudication

Where the dispute is not settled by mediation, the case is heard and adjudicated by a MIDReC Adjudicator or a Panel of Adjudicators. Accredited businesses are contractually bound to honour the decisions made by MIDReC.

2.3 MIDReC's Membership

1. To be eligible to apply for this accreditation scheme, a Non-SVTA member must subscribe to the MIDReC's Membership. The fees chargeable by MIDReC can be found on Page 19 of this Information Kit.
2. A non-SVTA member may contact SVTA directly to find out more about the MIDReC's Membership as follows:

Chapter 3 – Insurance Bond

3.1 What is the insurance bond for?

All accredited motoring businesses will be required to purchase an insurance bond in the amount of \$50,000 or \$100,000 (depending on whether the minimum paid-up capital is \$50,000 or \$100,000 respectively). The insurance bond is an important safety net pledged by the accredited business to show that it is committed to fair trading.
2. In the event that a consumer has an unresolved dispute with an accredited motoring business, the matter can be referred to MIDReC where an adjudicator or panel of adjudicators will decide on a resolution based on the facts and merits of each case. If the decision is made in favour of the consumer, a payout will be made from this insurance bond.
3. A non-SVTA member may contact SVTA and/or NTUC Income Insurance directly at the following, to find out more about how to secure the insurance bond:
